Life Unmasked

PRESS OVERVIEW / OCTOBER 2026

A place for honest reflection

Life Unmasked offers Christian reflection resources for noticing familiar patterns and considering identity in Christ. The eight masks provide language for discussion, rather than a diagnosis or a fixed label.

Available now

The free website includes a 16-scenario assessment, eight mask profiles, the Name That Mask browser game, devotionals, and guides for group leaders. The seven-day workbook is a separate 23-page printable PDF: $19 USD, one time, for individual use. Day 1 is free to preview.

The people behind the work

Karlon works on the website and delivery. Peter contributes pastoral writing. Vic works on the voice and direction of the project. Please confirm biographical details and product availability with the team before publication.
